providing a dough bar that is placed without manipulation to advantageously provide a dough bar product with a minimum of consumer effort. Nothing in Blaschke suggests or remotely motivates one of ordinary skill in the art to bake an entire block of dough (*Id.*). Accordingly, Applicants respectfully request that this rejection under 35 U.S.C. § 103(a) be reconsidered and withdrawn, as no *prima facie* case of obviousness has been shown on the record--particularly in view of the Martin Declaration and Second Martin Declaration.

Accordingly, the entire application is now in condition for allowance, early notice of which would be appreciated. Should the Examiner not agree with the Applicants' position, then a personal or telephonic interview is respectfully requested to discuss any remaining issues and expedite the eventual allowance of the application.

Respectfully submitted,
